Seeking a responsible and challenging position in a growth oriented organization, where my strong organizational skills and educational background will significantly contribute to overall success of the company and provide opportunities for my career growth. HR Recruiter with 2+ years of experience across various industries including Engineering, Power, Automobile, Automotive, Manufacturing & Production, and Semiconductor.

PROFESSIONAL EXPERIENCE

ManpowerGroup India, Bengaluru

Associate Consultant

October 2024-Present

Experienced recruiter currently supporting a leading client in the Power-Wind industry as part of an RPO – Permanent Staffing model. Beyond recruitment execution, I specialize in market mapping and talent intelligence, helping organizations gain a strategic understanding of the talent landscape. By analyzing labor market trends, competitor benchmarks, and candidate availability, i deliver insights that drive smarter, more proactive hiring decisions.

- Lead end-to-end recruitment lifecycle for permanent staffing, including candidate sourcing, screening, interviewing, and onboarding, ensuring alignment with client requirements.
- It is covering engineering, R&D, and supply chain roles, including leadership and senior management positions.
- Collaborate closely with hiring managers to gain in-depth understanding of role specifications and business needs, delivering high-quality talent solutions.
- Execute comprehensive market mapping and talent intelligence initiatives to identify potential talent pools, analyze competitor hiring trends, and inform strategic recruitment planning.
- Champion diversity hiring programs to foster inclusive recruitment practices and support organizational diversity objectives.
- Drive diversity and inclusion initiatives, with a specific focus on Persons with Disability (PwD) hiring, to promote equitable workforce representation.
- Utilize multiple sourcing channels including LinkedIn, Naukri, and IIM Jobs to engage and attract a diverse and qualified candidate pipeline.
- Prepare and present detailed recruitment analytics and reports to stakeholders, facilitating data-driven decision-making.
- Maintain meticulous recruitment databases and trackers, ensuring accuracy, compliance, and timely communication with candidates and clients.
- Support strategic workforce planning by aligning talent acquisition strategies with long-term organizational goals and talent needs.
